

Sri Lanka comments for Article 11: Financial Mechanism

SL support a dedicated and adequately resourced that is accessible, transparent, and grants-based. Special attention should be paid to the needs of developing countries and SIDS, including Sri Lanka.

We emphasize the importance of ensuring that this mechanism provides predictable and timely financial support to assist developing countries in meeting their obligations under the instrument. A dedicated fund specifically for developing countries is essential to enable effective implementation and ensure a just and inclusive global response to plastic pollution.
