Article 1 Objective of the INC Chair's Non-Paper 3

Thank you, Madam Co-Chair

For Article 1 on Objective, Brunei Darussalam would like to align ourselves with others that have spoken before us, where we are of the view that the Objective of this treaty should be clear and concise, while some elements that are newly introduced during the Contact Group could be parked in other relevant Articles, subject to further discussion / negotiation. In this regard, Brunei Darussalam could work with the proposal put forward by Indonesia.

Thank you, Madam Co-Chair.
