

OBJECTIVES

The ultimate objective of this Agreement and any related legal instruments that the Conference of the Parties may adopt is to achieve, in accordance with the relevant provisions of the Agreement, the elimination of plastic pollution and the sustainable management of plastics, to prevent adverse impacts on human health, ecosystems, and the environment. Such objectives should be pursued in a people centric manner, acknowledging that the eradication of poverty is an indispensable requirement for sustainable development, and to foster innovation and cooperation in achieving a sustainable economy for plastics.
