The Federative Republic of Brazil

Federative Republic of Brazil’s Statement on Part II - Just Transition of the Revised draft text of the international legally binding instrument on plastic pollution, including in the marine environment.

Ottawa, Canada
April 26, 2024

Brazil proposes the following insertions on Part II - Just Transition:

OP1Alt: Inclusion of “artisanal fishermen and fishing communities” in the chapeau of the paragraph between “local communities” and “fishermen”.

OP1Alt(a): the inclusion of the expression “fishing associations and fishing communities” between “local communities” and “other affected populations”.
