The Federative Republic of Brazil

Federative Republic of Brazil's Proposal on Part II – 4bis of the Revised draft text of the international legally binding instrument on plastic pollution, including in the marine environment.

Ottawa, Canada
April 26, 2024

- Brazil submits the following alternative text proposal regarding 4bis in Part II of the revised draft:

4bis Alt. Parties are encouraged to, according to their national circumstances and capabilities, assess which sectors most contribute to plastic pollution in their national jurisdictions and establish related dedicated programmes of work to support the implementation of the instrument.
