Part III

Proposal:
1. Merge Part III article 1 and Part III article 2 into a single streamlined article titled ‘Means of Implementation’.

2. Consolidate the following paragraphs from Part II into Part III:
   Part II article 2 Chemicals and polymers of concern OP1ter and OP1 quater Alt 2.
   Part II article 5 Product design, composition and performance OP2 bis, OP3, OP1 bis, OP2 bis. OP2 ter.
   Part II article 6. Non-plastic substitutes OP2 bis 1.
   Part II article 11 Existing plastic pollution, including in the marine environment OP 4 Alt 2, OP 4 bis.
   Part II 12. Just transition Option 1 OP1, Option 3 OP1.

3. In Part III article 1, move the label ‘provisions common to both options’ to precede OP0 and OP8 through OP10bis added to this article, relocate OP7 bis, OP7 ter, OP7 quater and OP7 quinquies from Option 1 into this revised article, and delete OP7 bis, OP7 ter, OP7 quater and OP7 quinquies from Option 3.
