The United States believes the NAPs article could be further streamlined by condensing the current options in relation to the (1) development; (2) submission; and (3) updating of a NAP, such that para 1-3 set out universal obligations in relation to each of these.

We additionally believe that the following paragraphs have content already represented in others, and could be removed:

- OP1 Chapeau bis
- OP1 Chapeau ter
- OP1 Alt
- OP1 Alt3
- OP1 Alt4
- OP2 bis
- OP3
- OP3bis
- OP6
- OP6Alt
- OP7
- OP7bis.
