Articles:1 "Objective"

Description: In-session submission by Kuwait

Article	Statements
Article 1	Thank you co-chairs
Objective	<p data-bbox="443 757 1383 1025">Kuwait aligns itself with the interventions and textual insertion made by Saudi Arabia to Alt 1, with an aim to streamline the instrument's objective, and in light of that Kuwait would like to highlight that, while acknowledging that matters pertaining to human health are addressed under the different mandates such as the World Health Organization (WHO). While promoting the sustainable management of plastics to support economic development and innovation.</p> <p data-bbox="443 1070 1289 1140">Kuwait support Russian federation sentiment with respect to the materials excluded from the agreement.</p>
