Submission for Contact Group 1: Article 2 Definitions

ISO is an impartial, not-for-profit, non-governmental organization. ISO operates through a neutral and transparent process involving diverse stakeholders including government, academia, industry, consumers, and civil society. ISO's global community includes more than 40,000 experts from 173 countries.

The ISO standard referred to during **Contact Group 1** discussions on **Article 2** can be seen here: [ISO 472:2013\(en\), Plastics — Vocabulary](#)

ISO has an information brochure summarizing terms and definitions which may be of relevance, available here: [ISO - ISO definitions of key terms for plastic pollution](#).
