Articles 20-26

Kazakhstan strongly insists that **all decisions and recommendations of the Conference of the Parties** must be adopted exclusively **by consensus and in a spirit of cooperation**.

We urge the inclusion of a **new paragraph 4bis in Article 20** to enshrine this requirement, and **call for its consistent application across all relevant provisions of Articles 20–26, including Articles 21(para 3), 23(para 3), 23(para 4), and 24 (para 3a)**.
