

REPUBLIC OF KENYA.

Article 10

Just Transition

Para 1 bis proposal for the placeholder.

Each Party shall facilitate a just transition taking into account national circumstances and capabilities including development priorities, needs and challenges of vulnerable communities, disproportionately affected by the implementation of this convention.

Para 2

In taking measures to implement paragraph 1 of this article, each Party shall take into account the situation of and engage workers in the formal and informal sectors, including workers in the plastic industry, waste pickers, artisanal and small scale fishers and small & medium term enterprises.

Para 3

In the implementation of this article, the Conference of Parties shall adopt guidelines for reporting, monitoring and evaluation in the national report pursuant to Article 15.
