MALAYSIA’S WRITTEN SUBMISSION FOR INC-4

Contact Group 1 (Subgroup 1.1)

Part I.4: Principles

Malaysia supports the following principles;

i. respect of national sovereignty over the use of natural resources;
ii. just transition;
iii. sustainable development goals;
iv. extended producer responsibilities (EPR); and
v. circular economy.

Additionally, Malaysia would like to add the principle of waste hierarchy.

Thank you.
