Part II.10 – Trade [in listed chemicals[, polymers] and products, and in plastic waste][related measures]

**Comment:** The purpose of this agreement is to regulate the issues of plastic pollution. Also, the issues of transboundary movement of hazardous waste, which includes plastic, are regulated by the Basel Convention. Therefore, Kazakhstan persistently sees the expediency of supporting **Option 0**.

The Preferred **Option Is 0** -
*Do not formalize this issue as a provision.*
