Part II.7 – Extended producer responsibility

Comment: Currently, Kazakhstan has a mechanism for extended producer responsibility taking into account national capabilities and peculiarities. In this regard, Kazakhstan supports Option 4.

Option 4
1. Parties are encouraged to consider establishing and operate fiscal and/or non-fiscal Extended Producer Responsibility (EPR) systems as appropriate and based on national circumstances and capability, including, where relevant, to incentivize increased recyclability, support higher recycling rates, and enhance the accountability of producers and importers for safe and environmentally sound management of plastic products and increase public awareness.
