It is necessary to clarify how the activities of the Governing body, outlined in Part IV.3, will be funded. Whether non-compliance with the provisions of the agreement, late compliance, and other same actions will be accompanied by punitive measures. We kindly ask for an explanation of the compliance competence (what it consists of). Kazakhstan asks for clarification, this information will affect Kazakhstan's final position on this provision.
We also suggest that the provisions of Part IV.3 may be reflected in Part IV.2.
