

Philippine Proposal

PREAMBLE

PP2. Acknowledging the important role played by plastics in human society, and stressing the importance of establishing effective mechanisms throughout the plastic lifecycle for waste management to promote safe plastic circularity ~~and~~, prevent leakage of plastics in the environment **,and to protect human health.**

PP3. Recognizing the significant contribution made by all workers in the plastics sector, especially those that are in informal and cooperative settings and small and medium-sized enterprises [including waste pickers **workers**, to the collection, sorting and recycling of plastics in many countries,

PP6. Recognizing that this Convention and other international agreements, **including those in the fields of health, trade and environment are mutually supportive,**

PP9. ~~[Noting~~ **Reaffirming** the importance of taking into account national circumstances and capabilities in the implementation of relevant provisions of this Convention.]
