<i>Contact person and contact information for the submission</i>	
<i>Article number</i>	Preamble
<i>Explanatory notes outlining how this submission supports the bridging of positions on the issue at hand</i>	Coherence with UNEA Resolutions 5/1; 5/14 and 6/4

Add a new paragraph in the preambular text after the first paragraph as follows:

“Recalling the Resolution 5/14 adopted by the United Nations Environment Assembly on 2 March 2022 to convene an intergovernmental negotiating committee to develop an international legally binding instrument on plastic pollution, including in the marine environment”

Add a new paragraph in the preambular text after the current second paragraph as follows:

“recognizing that the health of people is interconnected with animal health and the environment, that is coherent, integrated, coordinated and collaborative among all relevant organizations, sectors and actors, as appropriate, in accordance with national and/or domestic law, and applicable international law, and taking into account national circumstances”

Replacement of the following preambular text “Recognizing that this Convention and other international agreements in the field of the environment are mutually supportive”, with this new text:

“Recognizing the importance of cooperation among multilateral environmental agreements and, as applicable, other relevant environmental instruments, while respecting their individual mandates”
