ARTICLE 6 **Sustainable Production**

1. The Conference of the Parties shall, at its first session, adopt in an annex a global target to reduce the production of primary plastic polymers to sustainable levels.
2. Each Party shall take measures across the full lifecycle of plastics to achieve the global target referred to in paragraph 1.
3. Each Party shall report statistical data on its production, imports and exports of primary plastic polymers and the measures taken to achieve the global target referred to in paragraph 1.
4. The Conference of the Parties shall, at its first session, adopt the format, timing, methodologies and guidance for the implementation of this Article.
5. The Conference of the Parties shall, every five years, based on a scientific, technical, social, economic, and cultural assessment by a subsidiary body, review progress in the implementation of this Article and, as appropriate, update the global target referred to in paragraph 1.

NOTE: This proposal largely corresponds to the cross regional proposal on Article 6, with a few adjustments to the description of the assessment by the subsidiary body in paragraph 5.
