

My delegation supports the proposal made by Malawi on behalf of the Africa Group, the EU, and El Salvador. We recognize that limiting the scope to products does not encompass the full lifecycle of plastics. Any proposal should be aligned with UNEA 5/14. We support to have the article on Scop drawn from UNEA/14

## **Article 1**

### **SCOPE**

The convention applies to end plastic pollution including in marine environment across the full life cycle approach of plastic.
