

UNITED REPUBLIC OF TANZANIA STATEMENT ON CHAIRS DRAFT TEXT  
PROPOSAL –13 AUGUST 2025 AS AT 2:50PM.

Thank you Chair;

Thank you for your proposed text, we hope it will be the basis for building bridges toward the expected legal Instrument.

Tanzania would like to reiterate that the instrument should be legally binding according to the mandate given by UNEA resolution 5/14.

Mr Chair, Tanzania supports your proposal for further consultation with the regional group, and/or head of delegations meeting in order to address other issues which have not been reflected in your current text. Such as Clear Scope of the Instrument and some Key definition. as Full life cycle of Plastic.

This delegation is move forward immediately with your proposal to finish this a long waited legal instrument to end plastic pollution.

Thank you
