

Article 10
Just Transitions

1. In the implementation of this Convention, each Party shall promote just transitions, taking account of the circumstances of workers in the informal sector, including waste pickers, Indigenous Peoples and persons most affected by the adverse effects on human health and the environment of plastic within its national jurisdiction.

2. Each Party is encouraged to promote the engagement of affected communities, civil society, as well as the private sector, in activities pursuant to paragraph 1.

3. The Conference of the Parties may adopt guidance to inform Parties in the implementation of this Article, taking into account relevant guidelines under other international organizations, including the International Labour Organization.
