

New text for article 8 Plastic waste management – from the Norwegian delegation:

OP1 bis. To comply with the provision in paragraph 1, each party shall develop and implement a framework for the measures to be taken, including at least:

- (a) National targets for reduced waste generation
- (b) National targets for collection, recycling and other treatment
- (c) Actions to prevent littering, open dumping, dumping in water and open burning
- (d) Waste management strategies for achieving safe, high-quality recycled materials
- (e) Plans for mobilising resources from all sources for national waste management systems

OP 5 bis. The Conference of the Parties shall adopt an additional annex, in accordance with Article 24, identifying potential supplementary requirements relevant for this article.

OP 5 ter. The Conference of the Parties shall establish a programme of work, following a sectoral approach, to support the implementation of this article and make recommendations to the Conference of the Parties.

OP 5 quater. The Conference of the Parties shall cooperate closely with the appropriate bodies of the Basel Convention on the Control of Transboundary Movements of Hazardous Wastes and their Disposal in order to implement the provisions of this article.
