BRAZIL’S SUBMISSION

Contact Group I
Part II
Article 13 (Transparency, tracking, monitoring and labelling)
Pages 19 and 20

Brazil would like to propose the addition of the following words, indicated in capital letters:

- in paragraph 1 (b):

“(…) life cycle of plastics and plastic products, INCLUDING based on guidelines (…)”

- in paragraph 1 (c):

“(…) labelling requirements, INCLUDING based on guidelines (…)”

Brazil would also like to propose the addition of the following new paragraph 4:

“4. Parties will implement the above provisions in accordance with national circumstances and capabilities, and SUPPORTED BY INTERNATIONAL COOPERATION, INCLUDING THROUGH THE COOPERATION MECHANISM REFERRED TO IN [part III, article number yet to be defined].”
