Alt text for 10. Trade in listed chemicals, polymers and products, and in plastic waste

b. **Transboundary movement of plastic waste**

1. Each Party shall not allow transboundary movement of plastic waste, except for the purpose of its safe and environmentally sound management, with the prior informed consent of the importing State, and in a manner consistent with obligations under this instrument*.

2. Each Party exporting plastic waste pursuant to this provision shall establish and implement an export permit requirement for such exports and track the types, volumes and destination of all its exports of plastic waste.

3. Where transboundary movement of plastic waste is permitted pursuant to paragraph 1, each exporting Party shall:

   a. not allow the transboundary movement to commence until it has received the written consent of the importing State, which shall include that State’s assurances that the exported plastic waste will be managed in an environmentally sound manner;

   b. require the exporter to:

      i. provide to the importing State and the importer complete information about the composition of the exported waste, including its contents in polymers, chemicals and plastics, and any associated hazards to human health or the environment, based on the relevant harmonized disclosure requirements contained in annex A, including safety data sheets, as relevant;

      ii. mark and label the exported waste in accordance with the relevant harmonized labelling requirements contained in annex A, as relevant; and

      iii. comply with generally accepted and recognized international rules, standards and practices for packaging, labelling and transport.

4. The governing body* shall, at its first session, adopt guidance for the implementation of the provision set out in paragraph 3, taking into account as appropriate relevant arrangements under other multilateral environmental agreements.

Alt 1. Each Party shall take appropriate measures to ensure that transboundary movements of plastic waste, as defined by the Basel Convention, is only allowed for the purpose of environmentally sound disposal. Parties to the Basel Convention shall take appropriate measures to ensure that transboundary movements of plastic waste is done in accordance with the obligations of that Convention. In circumstances where the Basel Convention does not apply, a Party shall ensure that transboundary movements of plastic waste is allowed only after taking into account relevant domestic and international rules, standards, and guidelines.
