Subsidiary Bodies

Thanks Mr. Co-facilitator.

Good morning.

On subsidiary bodies, we support the setting up of Subsidiary Bodies by the Governing Body of the proposed new instrument.

The Indian delegation proposes the setting up of the following three subsidiary bodies:

(i) A subsidiary body for financial mechanism which shall inter alia assess financial needs of developing country parties and the availability of financial resources and issues related to technology transfer.

(ii) A subsidiary body for science and technology the subsidiary body will inter alia look into best available science, techno-economic assessments on alternatives.

(iii) A subsidiary body for implementation and compliance which shall inter alia work in a facilitative and non-punitive manner.

Final provisions

The Indian delegation reservations on some provisions in INC 1/8 and synthesis report.

On final provisions India supports setting up of legal drafting group to negotiate final provision at an appropriate time.
