Part II
Section 3
Problematic and avoidable plastic products including short-lived and single-use plastic products and intentionally added microplastics

b. Intentionally added microplastics

India

Alternative Text
(Option 2 with Edits)

1. Subject to their national action plan, each Party shall identify plastics and products containing intentionally added microplastics in accordance with the scientifically developed criteria, and take the necessary measures to regulate their production, sale and use.

2. Each Party shall share information on the measures taken pursuant to paragraph 1 through the online registry established under [part IV.6 on information exchange] with the aim of promoting transparency.

3. The cost of compliance of control measure shall be assessed for each country and funding shall be made available through the dedicated fund as per procedure decided by the Governing Body to enable compliance of control measure.
