2. Capacity-building, technical assistance and technology transfer

1. Parties shall cooperate to enable, within their respective capabilities, the provision of timely, sustainable, comprehensive and adequate capacity-building and technical assistance, to developing countries, in particular, to least developed countries and SIDS, to assist them in implementing their obligations under this instrument*.

2. The governing body* shall keep under review capacity-building and technical assistance to support the implementation of this instrument* and promote cooperation and coordination with other multilateral environmental agreements and other relevant initiatives to increase the effectiveness of capacity-building and technical assistance.

New Proposal for Paragraph-3

3. Developed country Parties and other Parties within their capabilities shall promote and facilitate, supported by the private sector and other relevant stakeholders as appropriate, development, transfer and diffusion of, and access to, up-to-date environmentally sound economical and efficient technologies to address plastic pollution to developing country Parties, in particular the least developed countries and small island developing States, and Parties with economies in transition, to strengthen their capacity to effectively implement this Instrument.
