Proposals of Pakistan on Problematic and avoidable plastic products, including short-lived and single-use plastic products and intentionally added microplastics and Exemption

a. Problematic and avoidable plastic products, including short-lived and single-use plastic products

Pakistan supports option 1.

b. Intentionally added microplastics

Pakistan supports option 2.

Exemptions available to a Party upon request

Pakistan supports the provision of exemptions for essential uses of plastics and emphasizes on need of criteria during intersessional work. Exemption provision under Stockholm Convention may be considered as ready reference.
