Contact Group 1: Emissions and releases of plastic Throughout its life cycle

Thank you Mr co-facilitator, I will be very quick.

Tunisia support the proposal of Gabon on behalf of the AG on all covered provisions.

Just I will focus on provision 8 on Emissions and releases of plastic throughout its life cycle

Tunisia is aligned with Africa region and would like that the provision 8 will covers:

1- Minimization of spills of chemicals and other toxic exposures during extraction and production of plastics, as well as during production of chemicals used in plastics;

2- Minimization of microplastics generation and the generation of hazardous chemicals during the use and waste phases.

Thank you Mr Co-facilitator
